

Special Announcement from the Powering Conservation on Cousin Island Indiegogo appeal!

Global Vision International (GVI) <http://www.gvi.co.uk/> has teamed up with Nature Seychelles and Climatecaring to offer an amazing prize as our fund raising campaign reaches its climax on the 31st May. We have raised 64% of our target with a huge boost from [Utilita](#), a UK energy company and <http://www.evbulen.com/> a UK restoration, design and building company. We hope to get closer to our target by offering this unique incentive.

There are on average 12 hours of sunshine a day in the Seychelles Islands. We want you to donate £1 for every hour. For your £12 donation we will send you a postcard from paradise and our eternal gratitude, **Plus you will be entered into a prize draw to win a FREE four week conservation expedition on Curieuse Island, a sister Island of Cousin, worth £1,495. The expedition is operated by GVI (www.gvi.co.uk), the world's foremost volunteering organisation and keen supporter of our work in the Seychelles.**

GVI Curieuse facebook page: <https://www.facebook.com/GVISeychellesMaheCurieuse>

GVI has generously donated one placement on its Curieuse volunteer research and conservation expedition in the Seychelles.

Climatecaring will assist the lucky winner to set up a crowd funding page to raise the funds for an air ticket and donate the first £100 or equivalent currency to the site.

Three runners up will receive 2 of Max Aliaga's stunning wildlife photographs as consolation prizes.

How to enter.

Simply go to our appeal site: <https://www.indiegogo.com/projects/powering-conservation-on-cousin-island-seychelles#home>

On the right hand side under “Select a Perk” click on the £12 GVI Curieuse prize draw and follow the easy steps to donate. Your unique contribution ID number will be automatically added to the draw. You can enter as many times as you like by simply making multiple £12 donations. The prize draw winner of the four week volunteer position at the GVI Curieuse research and conservation expedition will be announced in June 2014 and the winner notified along with the runners up.
